MORE ▼

Join us for this unique event to find out more about the services offered by our Graduate Career Management Center and the numerous career opportunities available to students in our graduate business programs.

EVENT SCHEDULE WED, JUNE 25, 2014

5:30 - 6:15

GRADUATE CAREER MANAGEMENT PANEL

Career coaches for our graduate programs will host a panel discussion addressing your questions as well as the following topics:

- + Average starting salaries and employment rates for our graduates
- + Employment and internship opportunities
- + Where graduates are getting full-time employment both locally and nationally
- + The best advice for preparing to demand top salaries and employment offers
- + Resources and services that are available to our graduate students at the David Eccles School of Business
- + Best advice for newly admitted students on how to prepare to hit the ground running this fall

6:15 - 7:00

NETWORKING RECEPTION

During this casual networking reception, meet with career coaches and admissions staff to ask questions specific to your situation or to find out more.

This event is open to prospective graduate students as well as recently admitted students for the following business graduate programs:

MS Information Systems - MSIS

MS Finance - MSF

Master of Accounting - MACC

Master of Healthcare Administration - MHA

Master of Real Estate Development - MRED
